

INTRODUCING

STAR NEW CENTURY

V3

Star has continued the evolution of its Star New Century range with the introduction of Star New Century V3.

Manufacturing Excellence

Its fully drop forged body ensures the highest possible quality cast.

Comfort

The combination of light weight and exceptional balance produces a gun that provides outstanding user comfort.

Performance

Its high transfer efficiency and ultra fine atomisation ensures cost savings and excellent results. Star New Century V3 has a large model range with setups for any quality painting application including new waterborne technology.

Smart Design Servicing Efficiency

All major components are designed to be easily removed for fast efficient cleaning.
