

## MIKASA RAMMERS

Mikasa 4-stroke and diesel tamping rammers are perfectly balanced to deliver hard hitting compaction while ensuring operator comfort through reduced noise and low handle vibration.

### FEATURES

- Reliable 4-stroke engines deliver low emissions and noise
- Superior four stage air filtration system for engine protection
- Heavy duty handle mounts reduce operator fatigue
- Handle roller for easy loading into vehicles
- Central lifting hook for easy and safe onsite handling
- Ability to lie down to 90 degrees for transport
- Side guards for engine protection
